DRESS CODE GUIDELINES

The *Disneyland*® Resort Dress Code Guidelines have been established to ensure a casual and comfortable environment for all of our guests. It is ultimately the school's responsibility to ensure that all students and chaperones adhere to the *Disneyland*® Resort Dress Code Guidelines.

What should I wear to Grad Nite?

We recommend all students and chaperones attending Grad Nite dress in comfortable casual attire and wear good walking shoes. It is also recommended schools check the local weather report prior to arriving in Anaheim to determine if a sweatshirt or jacket will be needed during their visit.

What attire is inappropriate?

Attire that is not appropriate for the theme parks (and which may result in refusal of admittance or ejection):

- Costumes may not be worn by guests 14 years of age or older
- Masks may not be worn by guests 14 years of age or older (unless they are for medical purposes)
- Clothing with objectionable material, including obscene language or graphics
- Excessively torn clothing or loose fitting clothing which may drag on the ground and create a potential trip hazard
- Clothing which, by nature, exposes excessive portions of the skin that may be viewed as inappropriate for a family environment
- Clothing with multiple layers are subject to search upon entry Visible tattoos that could be considered inappropriate, such as those containing objectionable language or designs
- Bare feet

What if my school has a stricter dress code guideline?

Some individual school dress code policies may be stricter than that of the *Disneyland*® Resort. We highly suggest that all schools/organizations conduct their own security and dress code screening of their students and chaperones prior to departing the school and arriving at the *Disneyland*® Resort for faster and smoother processing once at the Grad Nite security screening. *Disneyland*® Resort Security has the right to refuse admission to anyone they deem inappropriately dressed.

May students bring their own medication through the Grad Nite screening?

In an effort to avoid delays through the Grad Nite screening, students with medication should have a Chaperone from the school serve as their spokesperson through the Grad Nite screening process. Chaperones should be aware of any and all medications (over-the-counter and prescription medication) their students are bringing with them to the *Disneyland*® Resort. Students may have their own medication in their possession once successfully clearing the Grad Nite security screening. Medication needing refrigeration may be stored at *Disney California Adventure*® Park First Aid.
